Summit Farmers Market Reusable Bags Now Available!

SUMMIT, NJ, May 15, 2018 – Summit Downtown, Inc. and the Summit Green Team have designed a reusable shopping bag that will be available for purchase at the Summit Farmers Market beginning this Sunday, May 20!

The red reusable tote bags feature the tomato illustration from the Farmers Market poster. The bags are 13 inches wide by 10 inches deep by 15 inches tall with reinforced straps. They have plastic inserts in the bottom of the bag, making them perfect for loading up your Farmers Market purchases.

Bags can be purchased for \$3 each, or \$5 for two bags; cash only. Any profits from the project will benefit the Summit Green Team, a group of volunteers who provide support to the city's Environmental Commission to achieve Sustainable Jersey goals, educate our community about sustainable living, and make our town a healthier, "greener" place to call home.

Says Green Team founder, Melissa Spurr: "Using a reusable bag can save almost 1000 plastic bags. This can prevent plastic bags from accidentally being landfilled or ending up in our waterways, where they break up but never break down. At the end of its life, you can also recycle this reusable bag, and give it a new life."

Summit Downtown, Inc. is a nonprofit organization dedicated to the on-going development and promotion of the business community in downtown Summit, NJ.
