Summit Downtown's Second Family Fun Night was a success!

SUMMIT, NJ, June 26, 2019 – Summit Downtown, Inc. (SDI) is thrilled to report that over a thousand children and families visited downtown Summit for a second successful Family Fun Night!

SDI provided plenty of entertainment and fun for attendees including live entertainment like live animals from Rizzo's Wildlife World, a magician, acrobats, juggler on stilts and unicycle, music and more! This was the perfect event for the end of the school year and for families meeting up with friends and commuters coming home from work. Summit Street Sounds, the popular live music event every Thursday in May and June, also continued around town to make the whole district a fun break from the work week.

SDI thanks the event's major sponsor, [Lois Schneider Realtor](#), for making this fun evening possible!

Thanks also to:

- Participating downtown businesses: Brain Balance, Brownie Points Bakery, Color Me Mine, Excel Orthopedic Physical Therapy, Kidville, My Super Foods, Paper Source, Robot Revolution, World of Rock, and The Writers Circle
- Summit Area YMCA for providing the Healthy Children's Corner in the Bank Street Parking Lot
- Oak Knoll School of the Holy Child, our supporting sponsor and popcorn provider!
- Entertainment + Food Sponsors: Genualdi Orthodontics, Haven Savings Bank, Regal Bank, and Sweet Nothings.
