The City of Summit, Summit Downtown, Inc. and the Department of Community Programs (DCP) have been working together to plan a variety of programs in town during the PGA Championship. Each day, Summit will staff an information tent on the Village Green adjacent to the Summit train station to inform tournament attendees about local events and special offers. Thanks to Summit Department of Community Programs, there will also be a few putting greens at the hospitality tent so visitors can practice their game while waiting for the shuttle. Tournament attendees looking to plan their visits to the PGA Championship, get up-to-the-minute access to events and special deals, can visit close.by/summit or download the Close.By/Summit app [<http://apple.co/1VxVkk>].
